Smooth/Vellum Bristol Paper Pad or Drawing Paper
Erasers
Blending Stumps (S, M & L)
T-Square

Tools Recommended:

Circle Template,
Square Template
Ellipse Template
Eraser Shield

A note on cost of supplies - Our classes are not kits, we try to encourage creativity. It is difficult to give even an estimate for the cost of supplies since most people have some items already, and most classes have different options. Each class has a list of required tools and supplies. For this class that cost will run about \$35. If you have any questions regarding the cost of supplies or anything else about the class, please contact us.
